GOURMET GIFT BASKETS

Yum Yum! Who wouldn't enjoy receiving "Happy Holiday Wishes:", "Congratulations", or "Happy Birthday" messages in the form of a spectacular, custom, gourmet gift basket from Linton's Floral Shoppe? Specialty drinks, unusual cheeses, gourmet crackers, delicious cookies, fresh fruits as well as decadent, hand-dipped chocolates can all be presented and delivered in an artistic manner that will show how much you truly care!

One of our most popular designs in our wide selection is our uniquely themed gift baskets. Each basket will be artistically created and presented exactly to your wishes. You might wish to create a junk-food lovers basket, or maybe a coffee basket. The candy basket is a favorite with our customers, but there's always cheese and crackers, too. Another option would be to incorporate specific interests into the custom designed basket that will certainly convey your individualized message. Linton's wide selection of unusual gifts are bound to please both the recipient as well as you, the gift giver!

We are well-prepared, not only to serve individual clients, but also to assist in corporate gift giving as well! Our gorgeous gourmet baskets are the perfect choice for the holiday season, or just to say "thanks for being our customer." We offer world-wide delivery for as little as \$19.99, one can order and we are equally well-equipped to deliver hundreds of gift baskets for our corporate clients as well.

Put your "thank you" in the hands of our skilled team of designers at Linton's Enchanted Gardens and they will remember this wonderful gift!

Chocolate Chip Peanut Butter Pie

- 1 Wind & Willow Chocolate Chip Cheeseball & Dessert Mix
- 8 oz. Cream Cheese
- 1/2 cup peanut butter
- 8 oz. whipped topping
- 1 prepared graham cracker pie crust

Combine cream cheese and peanut butter. Mix until creamy. Stir in Chocolate Chip Mix until blended. Fold in whipped topping. Spoon into pie crust and top with Chocolate Crunch Topping. Refrigerate until ready to serve.

We have a large selection of Wind & Willow dessert mixes starting at only \$3.99

Poinsettia Care

Caring for your Poinsettia is easy! As soon as this plant arrives, be sure to wait to unwrap it indoors and NOT outside.

Place it in an area that will receive bright, indirect light and away from heat vents. Avoid hot or cold drafts. Keep the soil moist, to slightly dry at all times. The easiest method is to water with ice cubes, just one cube per inch of pot diameter, so a 6" wide pot would receive just six ice cubes every few days. Poinsettias are available at Linton's Enchanted Gardens starting at only \$4.99 and up.

Free pictures with Santa and 99¢ Cookie Decorating!

Every Saturday between Thanksgiving and Christmas, you will find Santa here! He takes time away from his toy-making duties to be available for our customers! We'll provide the perfect setting for a photo op including a sleigh! Santa will visit and you can bring your camera and non-perishable food items for Pantries and Kitchens United for Elkhart County. It's a win-win situation! You get a great picture and wonderful memory and help those in need of assistance in our community!

Botanically Correct Christmas Trees

Once again, Linton's Enchanted Gardens will offer our popular collection of permanent Christmas trees for 2013. This collection of Christmas trees look so realistic they're guaranteed to fool Santa himself! These trees range from miniature 6" table top trees up to 7' tall, and imitate nature, combining the beauty of a fresh cut tree with the convenience of silk that will last for many years to come. We will be offering many of the table to size trees already decorated, including the lights. These make the perfect gift for grandparents, college dorm rooms, as well as for kids! We have expanded our sizes and styles and our undecorated table top trees start out at only \$4.99!

Floral Trends

By Ruth Linton

It seems like Christmas Holidays come very fast. Then, like a speeding bullet, we are supposed to get the decorations down. However, there are a few easy ideas to help you make the transition.

If you are not yet ready for spring, but need something more than pine cones in that evergreen wreath, put some ferns in the wreath and replace the glitz and add some moss. Tuck a few natural-looking greens into the bookshelves or buffet top. Leave the hurricane without decor, but be prepared, in a few weeks to add a butterfly and blossoms.

The dining table can sport a color-coordinated scarf with a refreshing display of collectibles and glassware. The Christmas doormat can be replaced with a welcome that suffices for all seasons.

Another way to simplify this changeover is to use snowmen in your Christmas decor. Then they'll be great for another two months, giving you some much needed time for the change-over.
